Please select one of the following methods to receive/review weekly Public Notice documents issued by the Department of Health and Environmental Control, Office of Ocean and Coastal Resource Management (DHEC-OCRM)

We strongly encourage subscribers to utilize our web pages to obtain the notices. These are currently available and may be viewed at: <http://www.scdhec.gov/environment/ocrm/notice>

ATTENTION SURFACE MAIL SUBSCRIBERS: If you do not renew by January 31, 2009, you will no longer receive a hard copy of Public Notices in the mail. Please complete and return the following form with payment to DHEC-OCRM no later than January 31, 2009.

Public Notification Options:

1. Website/Email Notification (Free).

- Public notices may be obtained at no cost from the SCDHEC – OCRM web page. The web page includes the entire critical area permit public notice with drawings. The coastal zone consistency certification public notices are included in their normal abbreviated format.
- If subscribers request, they will be notified weekly by e-mail when the public notices are posted. Any number of individuals can be included for notification.
- Subscribe by sending an email to burgerdj@dhec.sc.gov. Current email notification subscribers need not review their subscription.

2. Surface Mail Delivery – 1 Year Subscription:

- Public notices may be obtained weekly via first class U. S. mail **for an annual fee of \$175.00 for all notices, including drawings and other submittals.** This fee was derived from our average weekly cost for mailing the entire public notice package up to 50 weeks per year.

3. In-Office Review:

- The weekly public notices may be reviewed free during normal business hours at any of our three offices located in Charleston, Beaufort and Myrtle Beach.

Note: Permit applicants and adjacent property owners will continue to be mailed a public notice at no charge, as will any other required notification for a permit or public hearing (i.e. individuals who comment on a specific public notice).
